LEGAL NOTIFICATIONS

Goods and services are delivered on the basis of our Terms and Conditions available on <https://www.arrow.com/en/legal/emea-terms-and-conditions-of-sales>

GENERAL STATEMENT OF EXPORT CONTROL

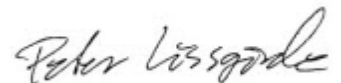

These items may be controlled by the U.S. Government and may be authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items without first obtaining approval from the U.S. Government or as otherwise authorized by U.S. law and regulations.

CONFORMANCE STATEMENT

It is confirmed that the supplies detailed hereon have been procured, stored and handled in accordance with the terms of our ISO 9001 certification and are genuine components and were provided by the applicable manufacturer to ARROW. For products and services which consist solely of, or incorporate therein, products and/or services procured from vendors, specific certifications will not be provided, but in such instances it is hereby certified that the Certificates of Compliance and any test data or other suitable evidence of compliance of the products and/or services with the requirements of your purchase order can, if and to the extent available from the relevant vendor and if requested by you, be obtained from such vendor. It is hereby certified that products manufactured or assembled by us, which are shipped herewith have been inspected and are in accordance with the confirmed requirements of your purchase order and the drawing specifications applicable thereto. It is further certified that pre-delivery inspection evidence including any test data necessary to substantiate this certification is available on request from our files.

CERTIFICATE OF CONFORMANCE/ACQUISITION TRACEABILITY FOR SHIPMENTS OF MILITARY PRODUCTS ONLY

Solely with respect to military grade products, the undersigned certifies that manufacturer certificates of compliance for products shipped under the customer purchase order have been obtained from our vendors and are herewith enclosed. It is further certified that this shipment is a part of the shipment covered by the manufacturers documentation. Any military grade product being supplied has been handled in accordance with the latest revision of JEDEC 31 for distributor requirements and EIA 625 for handling of static sensitive devices.
