Product Compliance

Create a compliance report to ensure your products fulfill the RoHS and REACH substance requirements.

Add product numbers below to view compliance information and download compliance declarations.

| ▶ Understand the «RoHS Directive» | ▶ Understand the «Reach Directive» |

Add Product Numbers *

Tip：You can copy and paste from other applications such as a spreadsheet or PDF.
If you need a product compliance statement, please contact our customer service staff, thank you!

Our Promise

The products that DEGSON identified as EU RoHS compliant have a maximum concentration of 0.1% in homogeneous materials for lead, hexavalent chromium, mercury, PBB, PBDE, and 0.01% for cadmium, or qualify for an exemption to above limits as defined in the Annexes of Directive 2011/65/EU (RoHS2) and in accordance with 2015/863/EU. These products are also in accordance with Annex XIV and Annex XVII of the European Chemicals Regulation 1907/2006/EC. This information is subject to change, and is based on our current knowledge and the information provided by our supply chain.
